EXPERIENCE

- **Universal-grub LLC**  May 2021 - June 2023
Front end Development Remote
 - Spearheaded the development of responsive web applications using Bootstrap, JavaScript, React, PHP, and MySQL, leading to a 30 increase in user engagement and satisfaction.
 - Championed the adoption of Scrum Agile Methodology, implementing structured routines such as weekly Scrum meetings, Sprint Backlogs, and sessions
 - Optimized the codebase and refactored previous code to enhance performance, while ensuring the website is fully responsive
- **Invision Solutions**  July 2024 - August 2024
Full Stack Developer Intern Onsite
 - Developed responsive and modern UI using Next.js, Tailwind CSS, and shadcn, improving design efficiency.
 - Implemented Prisma ORM with MySQL for robust data management, optimizing queries and handling complex many-to-many relationships.
 - Collaborated on third-party API integrations, adhering to best practices in code quality and deployment.

PROJECTS

- **LinkLush: Create Your Portfolio** May 2024
Tools: Next.js, TypeScript, MongoDB, Stripe, Google Sheets, Webhooks, Jotai [Github Link](#)
 - Developed a Linklush Clone using Next.js, TypeScript, and MongoDB to create a customizable bio page platform.
 - Integrated Stripe for secure payment processing, enhancing the monetization capabilities of the platform.
 - Created customizable bio pages with sections for links, products, and videos, ensuring a user-friendly interface.
 - Implemented data integration with Google Sheets and webhook support, automating data synchronization and updates.
- **E-commerce Website: Full-Stack E-commerce Platform Development** July 2024
Tools: Next.js, TypeScript, MongoDB, Tailwind CSS [Github Link](#)
 - Developed a full-stack e-commerce platform using Next.js and TypeScript, featuring both a customer-facing website and an admin dashboard.
 - Implemented MongoDB for efficient data management, enabling dynamic product listings and user management.
 - Designed and developed a responsive UI with Tailwind CSS, ensuring a seamless user experience across all devices.
 - Created an intuitive admin dashboard for managing products, orders, and user data, implemented Stripe payment gateway for a cashless experience.
